

A Consistent, Quality Mix That Adds Serious Curb Appeal

Enhance aesthetic appeal with **SuperEx**, a proprietary mix researched and developed by contractors like you. Part of the Super Series[®] collection of application-based mixes, SuperEx is designed to withstand harsh weather conditions as well as reduce maintenance and operational costs for homeowners. This mix is also sustainable: By using pre-consumer and regionally-harvested raw materials, SuperEx reduces heat absorption and adds beauty that homeowners enjoy for a lifetime.
